Town Wide Clean Up: this Saturday the 17th

Patron Comments/Concerns:

- Linda Criswell was inquiring about why there is a washing machine at the water plant outside, it was picked up when someone dropped it in the middle of the street and left it. Informed council there has been shooting late at night on stoke street across from Bonnie Sturgeons, council asked her to call county when that happens. The council made it clear no guns are to be shot off in town even bb guns.

- Fire Chief Brost also reminded people that 4th July is coming up. When in doubt of when allowed to shoot off and time frame go to townofboswell.com for the ordinances, type in fireworks. If we do not get rain, they may not be allowed so stayed tuned
